Please note these allocations do not include Overseas Trained Teacher Programme and Registered Teacher Programme provision. Proposed allocations for these programmes will be included with the detailed provider information to follow, which will also identify specific numbers of salary and training grant and training grant only places.

The splits between phase and priority group (see below for subject groupings) indicate where providers can flexibly offer places between subjects. Movement of places within the subject group to accurately reflect recruitment patterns will generally be allowed. More information on this will accompany the detailed allocations.

Subjects within secondary priority groups:

MPC: mathematics, physics and chemistry

Priority: modern languages and other STEM subjects (other science, design and technology, ICT, applied ICT)

Other: all other secondary subjects (applied art and design, art and design, business studies, citizenship, classics, dance, drama, English, geography, health and social care, history, leisure and tourism, media studies, music, physical education, psychology, religious education, social sciences)
